

## **Active 20-30 Club of Greater Sacramento #1032**

### **Ambassador Program Punch List**

The Program Punch List below provides an overview of the different activities and programs that the Active 20-30 Club #1032 of Greater Sacramento supports. In selecting your sponsorship level, please also consider where you would like your charitable donation as an Ambassador to be placed. If you do not have a program preference, please make note of that on the Sponsorship Form.

Major Fundraising Events - Each year we aim to host two major events with up to three beneficiary organizations per event. Seed money is always helpful in being able to donate more to our beneficiaries and benevolent fund.

Shopping Spree Event - as part of a national effort, we host an annual back-to-school shopping event where we take low-income children shopping for school with \$125 per child to shop. The children also receive a free haircut, a free backpack filled with school supplies, and a hot breakfast. In directing your donation to our Shopping Spree Event, you can sponsor children in participating in this opportunity.

Scholarship - in the spring each year, we provide scholarships to female High School seniors who are excellent scholars and are actively engaged in community service. These scholarships support girls who are graduating and entering into a university or college program.

Christmas Promise Event - your sponsorship money can contribute to bringing families the items on their Christmas list. As part of a locally run event, Active 20-30 adopts families at Christmas time to donate and deliver their most desired Holiday wishes.

Garden Build Project - The Sacramento Children's Home is the location of our current Garden Build Project, where we work with at risk youth in learning how to grow and tend large garden plots. To invest and support us in expanding this project, please direct your sponsorship money here.

Other Hands-on Events - The Active 20-30 Club #1032 hosts monthly hands-on events. We are seeking charitable donations for supplies in making these events successful.
